16.36.4.7 DEFINITIONS: [RESERVED]

16.36.4.8 ENFORCEMENT, COMPLAINTS AND DISCIPLINARY ACTION:

A. A member of the board, its employees or agents may enter and inspect a school, enterprise or establishment at any time during regular business hours for the purpose of determining compliance with the Body Art Safe Practices Act.

B. It shall be unlawful for any artist to perform body piercing or tattoo procedures outside of a licensed body piercing or tattooing establishment.

C. It shall constitute a violation of the Body Art Safe Practices Act when a licensee:
(1) attempts by means of any threat, force, intimidation or violence to deter, interfere with or prevent any inspector or board designee from performing any official duty of the department or board;
(2) willfully resists, delays or obstructs an inspector or board designee in the performance of his/her official duty;
(3) fails to comply with the lawful command of an inspector or board designee in the discharge of his/her official duty; or
(4) fails to cooperate in investigations, proceedings, and requirements of this code.

D. The board, or its designee, will consider a formal complaint filed against a licensee or an establishment provided the complaint is on the proper form, signed and notarized.

E. When a complaint is received on the proper form, the board, or its designee, will write to the licensee the complaint is against and request a response within 15 days of receipt of such request.

F. The response will be reviewed by a committee designated by the board chairman.

G. If the committee's recommendation is that the complaint be taken before the board, the complaint will be reviewed at the next regularly scheduled board meeting. The board shall:

(1) take no further action; or
(2) issue a notice of contemplated action (NCA) under the Uniform Licensing Act; or
(3) assess an administrative penalty subject to appropriate procedural requirements and safeguards.

H. Any hearing held pursuant to the complaint shall conform with the provisions of the Uniform Licensing Act and the Body Art Safe Practices Act.

I. The board may fine, deny, revoke, suspend, stipulate, or otherwise limit a license if the board determines the licensee is guilty of violating any of the provisions of the act, the Uniform Licensing Act, or these rules.

J. Subject to legally required procedural safeguards, any person who violates any provisions of the act or any rule adopted by the board may incur, in addition to any other penalty provided by law, a civil penalty in an amount of less than one hundred fifty dollars (\$150) for each violation. The board will serve on the licensee official notice of any such fine that the board proposes to assess. Failure to pay a fine, once properly assessed, may result in an additional fine and revocation of license or other disciplinary action. The penalties to be assessed are as follows:

(1) Failure to comply with operator requirements:
(a) first offense: one hundred dollars (\$100);
(b) second offense: one hundred fifty dollars (\$150);
(c) third and subsequent offenses: the board shall take steps to impose a further fine up to the limit of one hundred fifty dollars (\$150) or to take other disciplinary action as permitted by the act or the New Mexico Uniform Licensing Act.

(2) Failure to comply with sanitation and safety requirements:
(a) first offense: one hundred dollars (\$100);
(b) second offense: one hundred fifty dollars (\$150);
(c) third and subsequent offenses: the board shall take steps to impose a further fine up to the limit of one hundred fifty dollars (\$150) or to take other disciplinary action as permitted by the act or the New Mexico Uniform Licensing Act.

(3) Failure to post required licenses:
(a) first offense: fifty dollars (\$50);
(b) second offense: one hundred fifty dollars (\$150);
(c) third and subsequent offenses: the board shall take steps to impose a further fine up to the limit of one hundred fifty dollars (\$150) or to take other disciplinary action as permitted by the act or the New Mexico Uniform Licensing Act.

(4) Working on an expired or invalid license:
(a) first offense: fifty dollars (\$50);
(b) second offense: one hundred fifty dollars (\$150);
(c) third and subsequent offenses: the board shall take steps to impose a further fine up to the limit of one hundred fifty dollars (\$150) or to take other disciplinary action as permitted by the act or the New Mexico Uniform Licensing Act.

(5) Performing services for compensation in an unlicensed establishment:
(a) first offense: one hundred dollars (\$100);
(b) second offense: one hundred fifty dollars (\$150);
(c) third and subsequent offenses: the board shall take steps to impose a further fine up to the limit of one hundred fifty dollars (\$150) or to take other disciplinary action as permitted by the act or the New Mexico Uniform Licensing Act.

(6) Any violation of the Body Art Safe Practices Act or rules:
(a) first offense: one hundred dollars (\$100);
(b) second offense: one hundred fifty dollars (\$150);
(c) third and subsequent offenses: the board shall take steps to impose a further fine up to the limit of one hundred fifty dollars (\$150) or to take other disciplinary action as permitted by the act or the New Mexico Uniform Licensing Act.

K. The board may suspend a license immediately without prior notice to the holder of the license if it determines, after inspection, that conditions within a body art establishment present a substantial danger of illness, serious physical harm or death to customers who might patronize a body art establishment. A suspension action taken pursuant to this section is effective when communicated to the operator or body artist. Suspension action taken pursuant to this section shall not continue beyond the time that the conditions causing the suspension cease to exist, as determined by a board inspection at the request of the operator or body artist. A license holder may request an administrative hearing, as provided by the Body Art Safe Practices Act, Section 61-17B-5 NMSA 1978 if the board does not lift an immediate suspension within 10 days.

A. A practitioner shall perform all body art procedures in accordance with universal precautions set forth by occupational health and safety administration (OSHA) and the United States. centers for disease control.

B. Smoking, eating, or drinking by anyone is prohibited in the procedure room while body art preparation, procedure and clean-up is being performed.

C. A practitioner shall refuse service to any person who, in the opinion of a reasonable objective observer, may be under the influence of alcohol or drugs.

D. A practitioner shall maintain the highest degree of personal cleanliness, conform to best standard hygienic practices, and wear clean clothes when performing body art procedures. Before performing body art, the licensee must thoroughly wash their hands in hot running water with liquid antimicrobial soap, then rinse hands and dry with disposable paper towels. This shall be done as often as necessary to remove contaminants.

E. The skin of the licensee shall be free of rash or infection. No licensee affected with boils, infected wounds, open sores, abrasions, weeping dermatological lesions or acute respiratory infection shall work in any area of a body art establishment in any capacity in which there is a likelihood that that person could contaminate body art equipment, supplies, or working surfaces with body substances or pathogenic organisms.

F. In performing body art procedures, a practitioner shall wear disposable single-use gloves. The gloves shall be discarded, at a minimum, after the completion of each procedure on an individual client, and hands shall be washed in accordance with Subsection D before the next set of gloves is put on. Under no circumstances shall a single pair of gloves be used on more than one person. The use of disposable single-use gloves does not preclude or substitute for hand washing procedures as part of a good personal hygiene program.

G. If, while performing body art, the licensee's glove is pierced, torn, or otherwise contaminated by contact with any unclean surfaces or objects or by contact with a third person, the procedures in Subsections D and E above shall be repeated immediately. Any item or instrument used for body art which is contaminated during the procedure shall be discarded and replaced immediately with new sanitary items or instrument before the procedure resumes.

H. Contaminated waste, which may release liquid blood or body fluids when compressed or may release dried blood or body fluids when handled must be placed in an approved "red" bag which is marked with the international "biohazard" symbol. It must then be disposed of by an approved medical waste facility pursuant to federal and state regulations including but not limited to 29 CFR 1910.1030 and New Mexico solid waste management regulations promulgated by the New Mexico environment department. Sharps ready for disposal shall

be disposed of in approved sharps containers. Contaminated waste which does not release liquid blood or body fluids when compressed or does not release dried blood or body fluids when handled may be placed in a covered receptacle and disposed of through normal, approved disposal methods. Storage of contaminated waste on-site shall not exceed 90 days. Establishment shall maintain records of waste removal.

I. Petroleum jellies, soaps, and other products used in the application of stencils shall be dispensed and applied on the area to receive a body art procedure with sterile gauze or other sterile applicator to prevent contamination of the original container and its content. The applicator or gauze shall be used once and then discarded.

J. It is the responsibility of the operator of the body art establishment to be in possession of the most current regulations and aftercare instructions.

K. Jewelry inserted into a newly pierced area must be made surgical implant-grade stainless steel that is ASTM F138 compliant; solid 14k or 18k white or yellow gold, niobium (Nb), titanium (TI6A4V ELI) that is ASTM F136 compliant, platinum; or a dense, low-porosity plastic, which is free of nicks, scratches, or irregular surfaces and has been properly sterilized prior to use.

[16.36.5.8 NMAC - Rp, 16.36.5.8 NMAC, 02/04/2016]

16.36.5.9 STERILE PROCEDURES AND SANITATION:

A. All non-disposable instruments used for body art shall be cleaned thoroughly after each use by scrubbing with an antimicrobial soap solution and hot water or an appropriate disinfectant to remove blood and tissue residue and placed in an ultrasonic unit which shall remain on the premises of the body art establishment and which will be operated in accordance with the manufacturer's instructions.

B. All facilities that reprocess reusable instruments shall have an equipment cleaning room that is physically separated from the work stations. Facilities that use all disposable equipment shall be exempt from this requirement.

C. After cleaning, all non-disposable instruments used for body art shall be packed individually in paper peel-packs and sterilized. All paper peel-packs shall contain either a sterilizer indicator or internal temperature indicator. Properly packaged, sterilized and stored equipment can be stored no more than one year. Paper peel-packs must be dated with an expiration date not to exceed one year. Sterile equipment may not be used after the expiration date without first repackaging and resterilizing.

D. All non-disposable instruments used for body art shall be sterilized in an autoclave at the body art establishment. Off-site sterilization is prohibited. The sterilizer shall be used, cleaned, and maintained according to manufacturer's instructions. A copy of the manufacturer's recommended procedures for the operation of the sterilization unit must be available for inspection by the board.

E. Each holder of a license to operate a body art establishment shall demonstrate that the sterilizer used is capable of attaining sterilization by monthly spore destruction tests. These tests shall be verified through an independent laboratory. These test records shall be retained by the operator for a period of three years and provided to the board upon request.

F. After sterilization, the instrument used for body art, tattooing or body piercing shall be stored in a dry, clean cabinet or other tightly covered container reserved for the storage of such instruments.

G. All instruments used for body art, tattooing or body piercing shall remain stored in sterile packages until just prior to performing a body art procedure. When assembling instruments used for performing body art, the operator shall wear disposable medical gloves and use techniques to ensure that the instruments and gloves are not contaminated.

H. All inks, dyes, pigments and sharps shall be specifically manufactured for performing body art procedures and shall not be adulterated. Immediately before applying a tattoo, the quantity of the dye to be used for the tattoo shall be transferred from the bottle and placed into sterile, single use paper cups or plastic caps. Upon completion of the tattoo, these single cups or caps and their contents shall be discarded.

I. For body piercing and tattooing establishments primarily utilizing a Statim autoclave, reusable items shall be sterilized in an autoclave in a bulk load without sterilization pouches, previous to sterilization in the Statim autoclave, for the body piercing or tattoo procedure. Reusable instruments and single use items sterilized in a Statim autoclave cassette must be used immediately after opening the Statim autoclave cassette. The items contained in the Statim autoclave cassette shall be used for one client only and shall include use of an integrater strip.

16.36.5.10 REQUIREMENTS FOR SINGLE USE ITEMS:

- A.** All sharps shall be sterilized prior to use and stored in paper peel-packs.
 - B.** Single use items shall not be used on more than one client for any reason. After use, all single use needles, razors and other sharps shall be immediately disposed of in approved sharps containers. Piercing needles are strictly single use.
 - C.** All body art stencils shall be single use and disposable. Petroleum jellies, soaps and other products used in the application of stencils shall be dispensed and applied on the area to be tattooed with sterile gauze or in a manner which prevents contamination of the original container and its contents. The gauze shall be used only once and then discarded.
- [16.36.5.10 NMAC - Rp, 16.36.5.10 NMAC, 02/04/2016]

16.36.5.11 CLIENT CARE AND RECORDS REQUIREMENTS:

- A.** Prior to performing a body art procedure on a client, the practitioner shall:
 - (1)** inform the client, verbally and in writing that the following health conditions may increase health risks associated with receiving a body art procedure:
 - (a)** history of diabetes;
 - (b)** history of hemophilia (bleeding);
 - (c)** history of skin disease, skin lesions, or skin sensitivities to soaps, disinfectants etc.;
 - (d)** history of allergies or adverse reactions to pigment, dyes, or other sensitivities;
 - (e)** history of epilepsy, seizures, fainting, or narcolepsy;
 - (f)** use of medications such as anticoagulants, which thin the blood or interfere with blood clotting; and
 - (g)** any other conditions such as hepatitis or HIV.
 - (2)** require that the client sign a form confirming that the above information was provided, that the client does not have a condition that prevents them from receiving body art, that the client consents to the performance of the body art procedure and that the client has been given the aftercare instructions as required by Subsection J of 16.36.5.8 NMAC.
- B.** Preparation and care of a client's skin area must comply with the following:
 - (1)** Any skin area or mucosa surface to receive a body art procedure shall be free of rash or any visible infection.
 - (2)** Before a body art procedure is performed, the immediate skin area and the areas of the skin surrounding where body art procedure is to be placed shall be washed with soap and water or an approved surgical skin preparation. If shaving is necessary, single-use disposable razors or safety razors with single-use blades shall be used. Blades shall be discarded after each use, and reusable holders shall be cleaned and autoclaved after each use. Following shaving, the skin and surrounding area shall be washed with soap and water. The washing pad shall be discarded after a single use.
 - (3)** In the event of bleeding, all products used to stop the bleeding or to absorb blood shall be single use, and discarded immediately after use in appropriate covered containers, and disposed of in accordance with the OSHA blood borne pathogens standard.
- C.** The body art establishment shall keep a record of all persons who have had body art procedures performed. The record shall include:
 - (1)** client's name;
 - (2)** date of birth;
 - (3)** address;
 - (4)** the date of the procedure;
 - (5)** the name of licensee who performed the procedure(s);
 - (6)** the type of procedure performed and its location on the client's body;
 - (7)** the signature of the client and, if the client is a minor, written proof of parental or legal guardian presence and consent;
 - (8)** specific ink color(s) applied, and, when available, the manufacturer, catalogue identification number or supplier invoice of each color used.
- D.** For jewelry, a record of the manufacturer, catalogue identification number or supplier invoice shall be maintained.
- E.** All records described in this paragraph shall be retained for a minimum of three years and provided to the board upon request. Records destroyed after three years shall be destroyed by shredding or appropriate destruction methods.

F. The licensee shall provide each client with verbal and written instructions on the aftercare of the body art site. The written instructions shall advise the client:

- (1) on proper cleansing of the area which received the body art;
- (2) to consult a health care provider for:
 - (a) unexpected redness, tenderness or swelling at the site of the body art procedure;
 - (b) any rash;
 - (c) unexpected drainage at or from the site of the body art procedure; or
 - (d) a fever within 24 hours of the body art procedure; and
- (3) the address, and phone number of the establishment; a copy shall be provided to the client; a model set of aftercare instructions shall be made available by the board.

61-17B-1. Short title. (Repealed effective July 1, 2022.)

Chapter [61](#), Article [17B](#) NMSA 1978 may be cited as the "Body Art Safe Practices Act".

61-17B-2. Purpose. (Repealed effective July 1, 2022.)

The purpose of the Body Art Safe Practices Act is to provide a safe and healthy environment for the administration of body art.

61-17B-3. Definitions. (Repealed effective July 1, 2022.)

As used in the Body Art Safe Practices Act:

- A. "board" means the board of body art practitioners;
- B. "body art" means tattooing, body piercing or scarification but does not include practices that are considered medical procedures by the New Mexico medical board;
- C. "body art establishment" means a fixed or mobile place where body art is administered on the premises;
- D. "body artist" means a person who administers body piercing, tattooing or scarification;
- E. "body piercing" means to cut, stab or penetrate the skin to create a permanent hole or opening;
- F. "equipment" means machinery used in connection with the operation of a body art establishment, including fixtures, containers, vessels, tools, devices, implements, furniture, display and storage areas, sinks and other apparatuses and appurtenances;
- G. "instruments used for body art" means hand pieces, needles, needle bars and other items that may come into contact with a person's body during the administration of body art;
- H. "operator" means the owner in charge of a body art establishment;
- I. "scarification" means cutting into the skin with a sharp instrument or branding the skin with a heated instrument to produce a permanent mark or design on the skin;
- J. "sharps" means any sterilized object that is used for the purpose of penetrating the skin or mucosa, including needles, scalpel blades and razor blades;
- K. "single use" means products or items that are intended for one-time, one-person use and are disposed of after use on each client, including cotton swabs or balls, tissues or paper products, paper or plastic cups, gauze and sanitary coverings, razors, piercing needles, scalpel blades, stencils, ink cups and protective gloves;
- L. "sterilization" means destruction of all forms of microbiotic life, including spores; and
- M. "tattooing" means the practice of depositing pigment, which is either permanent, semipermanent or temporary, into the epidermis using needles by someone other than a state-licensed physician or a person under the

supervision of a state-licensed physician and includes permanent cosmetics, dermography, micropigmentation, permanent color technology and micropigment implantation.

61-17B-4. Issuance of a body art license. (Repealed effective July 1, 2022.)

The board has authority to issue a body art license to a body artist who has demonstrated the ability to perform body art and who conforms with the board's rules with respect to safety, sterilization and sanitation and a body art operator license to an operator who conforms with the board's rules.

61-17B-5. License; application; revocation; suspension. (Repealed effective July 1, 2022.)

A. A body artist shall obtain a body art license, and an operator shall obtain a body art establishment license, the requirements for which shall be defined by the board and shall include the requirement that a body artist applicant demonstrate that the body artist has the training and experience necessary to perform body piercing, tattooing or scarification and the requirement that a sanitary and sterile body art establishment be maintained.

B. An operator or body artist shall possess and post in a conspicuous place a valid and unsuspended license issued by the board in accordance with the Body Art Safe Practices Act and the rules promulgated pursuant to that act. An operator or a body artist shall not display a license unless it has been issued to that operator or body artist by the board and has not been suspended or revoked.

C. An operator or body artist shall apply to the board for the issuance or renewal of a license annually and shall pay license fees established by the board. The board shall set license fees, license renewal fees and late fees in amounts necessary to administer the provisions of the Body Art Safe Practices Act. If an operator or body artist fails to renew a license for the next year, the license is void; provided that the voided license may be restored at any time during the year following the license's expiration upon the payment of the appropriate license renewal fee and a late charge not to exceed one hundred dollars (\$100) as set forth by board rules. If the operator or body artist fails to restore a license within one year following the license's expiration, the operator or body artist may request restoration of the license pursuant to rules promulgated by the board.

D. The board shall promulgate rules for the revocation or suspension of a license for a body art establishment or a body artist who fails to comply with a provision of the Body Art Safe Practices Act or rules promulgated pursuant to that act. A license shall not be suspended or revoked pursuant to the Body Art Safe Practices Act without providing the operator or the body artist with an opportunity for an administrative hearing unless conditions in the body art establishment warrant immediate suspension pursuant to Section [61-17B-9](#) NMSA 1978. The hearing officer shall not be a person previously involved in the suspension or revocation action. An inspection made more than twenty-four months prior to the most recent inspection shall not be used as a basis for suspension or revocation.

E. The board shall charge a fee not to exceed three hundred dollars (\$300) for the application to issue a new or renewed license. The applicant shall provide proof of current immunization as required by the board and proof of the applicant's attendance at a blood-borne pathogen training program and other training as required by the board before a license is issued or renewed.

F. A current body art license or body art establishment license shall not be transferable from one person to another.

G. The following information shall be kept on the premises of a body art establishment and shall be available for inspection by the board:

- (1) the full names of all employees in the establishment and their exact duties;
- (2) the board-issued license with identification photograph for the operator and any body artists;
- (3) the body art establishment name and hours of operation;
- (4) the name and address of the operator;
- (5) a complete description of all body art performed at the body art establishment;
- (6) a list of all instruments, body jewelry, sharps and inks used at the body art establishment, including names of manufacturers and serial or lot numbers or invoices or other documentation sufficient to identify and locate the manufacturer of those items; and
- (7) a current copy of the Body Art Safe Practices Act.

H. An operator shall notify the board in writing not less than thirty days before changing the location of a body art establishment. The notice shall include the street address of the body art establishment's new location.

61-17B-6. Inspection by board. (Repealed effective July 1, 2022.)

A. The board shall annually inspect body art establishments to determine compliance with the Body Art Safe Practices Act. An operator or body artist shall allow a board official, upon proper identification, to enter the

premises, inspect all parts of the premises and inspect and copy records of the body art establishment. The operator or body artist shall be given an opportunity to accompany the board official on the inspection and to receive a report of the inspection within fourteen days after the inspection.

B. Refusal to allow an inspection is grounds for suspension or revocation of the license of the operator or body artist, provided that the board official tendered proper identification prior to the refusal.

61-17B-7. Exemptions. (Repealed effective July 1, 2022.)

A. A person who pierces only the outer perimeter of the ear, not including any cartilage, using a pre-sterilized encapsulated single use stud ear piercing system, implementing appropriate procedures, is exempt from the requirements of the Body Art Safe Practices Act.

B. A member of a federally recognized tribe, band, nation or pueblo who performs scarification rituals for religious purposes is exempt from the requirements of the Body Art Safe Practices Act.

61-17B-8. Sterile procedures and sanitation. (Repealed effective July 1, 2022.)

The board shall establish by rule requirements for:

- A. the use and disposal of equipment and instruments; provided that:
 - (1) all sharps shall be sterilized prior to use;
 - (2) single use items shall not be used on more than one client for any reason; and
 - (3) all body art stencils shall be single use and disposable;
- B. the sterilization or sanitation of non-disposable items;
- C. the prohibition of off-site sterilization; and
- D. procedures to control disease borne by contact with customer or body artist skin mucosa.

61-17B-9. Immediate suspension. (Repealed effective July 1, 2022.)

The board may suspend a license immediately without prior notice to the holder of the license if it determines, after inspection, that conditions within a body art establishment present a substantial danger of illness, serious physical harm or death to customers who might patronize a body art establishment. A suspension action taken pursuant to this section is effective when communicated to the operator or body artist. Suspension action taken pursuant to this section shall not continue beyond the time that the conditions causing the suspension cease to exist, as determined by a board inspection at the request of the operator or body artist. A license holder may request an administrative hearing, as provided by Section 5 [61-17B-5]NMSA 1978 of the Body Art Safe Practices Act, if the board does not lift an immediate suspension within ten days.

61-17B-10. Judicial review. (Repealed effective July 1, 2022.)

An applicant denied a license or an operator or body artist whose license is suspended or revoked by the board may appeal pursuant to Section 39-3-1.1 NMSA 1978.

61-17B-11. Enforcement. (Repealed effective July 1, 2022.)

A. The board may seek relief in district court to enjoin the operation of a body art establishment or the practice of a body artist not in compliance with the Body Art Safe Practices Act.

B. The district court may impose a civil penalty not exceeding five hundred dollars (\$500) for a violation of the Body Art Safe Practices Act. Each violation of the provisions of the Body Art Safe Practices Act constitutes a separate offense.

C. The board may promulgate rules imposing a schedule of penalties for violations of the Body Art Safe Practices Act. Except as provided in Subsection D of this section, no penalty shall exceed one hundred fifty dollars (\$150).

D. Penalties for the following violations shall not exceed one thousand dollars (\$1,000):

- (1) obtaining or attempting to obtain a license by fraudulent misrepresentation;
- (2) willfully falsifying by oath or affirmation information required pursuant to the Body Art Safe Practices Act; or
- (3) practicing or attempting to practice under an assumed name or by fraudulent misrepresentation.

61-17B-12. Repealed.

Repeals. — Laws 2015, ch. 129, § 11 repealed 61-17B-12 NMSA 1978, as enacted by Laws 2007, ch. 181, § 12, relating to the use of barbers and cosmetologists fund, effective July 1, 2015. For provisions of former section, see the 2014 NMSA 1978 on NMONESOURCE.COM.

61-17B-13. Municipalities. (Repealed effective July 1, 2022.)

The Body Art Safe Practices Act provides minimum standards for safe body art practices. A municipality may by ordinance provide more stringent standards.

61-17B-14. Repealed.

Repeals. — Laws 2015, ch. 129, § 11 repealed 61-17B-14 NMSA 1978, as enacted by Laws 2007, ch. 181, § 14, relating to the promulgation of rules, effective July 1, 2015. For provisions of former section, *see* the 2014 NMSA 1978 on *NMONESOURCE.COM*.

61-17B-15. Board created; membership. (Repealed effective July 1, 2022.)

A. The "board of body art practitioners" is created. The board is administratively attached to the regulation and licensing department and consists of five members appointed by the governor. Members shall serve three-year terms; provided that at the time of initial appointment, the governor shall appoint members to abbreviated terms to allow for the terms of subsequent appointments to be staggered. Vacancies shall be filled in the manner of the original appointment.

B. Of the five members of the board, four shall be licensed pursuant to the Body Art Safe Practices Act and shall have at least five years' practical experience in their occupations. Of those four, two members shall be operators and two members shall be body artists. The remaining one member shall be a public member. The public member shall not have ever been licensed pursuant to the provisions of the Body Art Safe Practices Act or similar prior legislation or have a financial interest in a body art establishment.

C. Members of the board shall be reimbursed pursuant to the Per Diem and Mileage Act [10-8-1 through 10-8-8 NMSA 1978] and shall receive no other compensation, perquisite or allowance.

D. The board shall elect from among its members a chair and such other officers as it deems necessary. The board shall meet at the call of the chair, not less than two times each year. A majority of members currently serving constitutes a quorum for the conduct of business.

E. A board member shall not serve more than two full consecutive terms, and a member who fails to attend three meetings shall automatically be recommended for removal unless the member's absence is excused for reasons set forth by board rule.

61-17B-16. Board powers and duties. (Repealed effective July 1, 2022.)

A. The board shall:

(1) in conjunction with the department of health, promulgate rules necessary to implement the provisions of the Body Art Safe Practices Act;

(2) establish fees;

(3) establish standards and provide for the issuance of new and renewal operator and body artist licenses to applicants;

(4) adopt a seal;

(5) furnish copies of rules and sanitation and sterilization requirements adopted by the board to each operator of a body art establishment;

(6) keep a record of its proceedings, a register of applicants for licensure and a register of licensed operators and body artists; and

(7) issue cease and desist orders to persons who violate the provisions of the Body Art Safe Practices Act or rules promulgated pursuant to that act.

B. The board may establish continuing education or other requirements for licensure.

C. A member of the board, its employees or agents may enter and inspect a body art establishment at any time during regular business hours for the purpose of determining compliance with the Body Art Safe Practices Act.

61-17B-17. Body art practitioners fund created. (Repealed effective July 1, 2022.)

The "body art practitioners fund" is created in the state treasury. The fund consists of appropriations; license fees, charges and fines that are imposed by the board and that shall be deposited into the fund; and money otherwise accruing to the fund. Money in the fund is appropriated to the board for the purpose of carrying out the provisions of the Body Art Safe Practices Act. Money in the fund shall be disbursed on warrants signed by the secretary of finance and administration pursuant to vouchers signed by the chair of the board or the chair's authorized representative. Any balance remaining in the fund at the end of a fiscal year shall not revert to the general fund.

61-17B-18. Termination of agency life; delayed repeal. (Repealed effective July 1, 2022.)

The board of body art practitioners is terminated on July 1, 2021 pursuant to the Sunset Act [[12-9-11](#) through [12-9-21](#) NMSA 1978]. The board shall continue to operate according to the provisions of the Body Art Safe Practices Act until July 1, 2022. Effective July 1, 2022, the Body Art Safe Practices Act is repealed.
